### WIND ENERGY SITE PLAN REVIEW PROCESS

**The applicant shall meet with a Laramie County Planning and Development Office (Planning Office) representative prior to submittal of any application.** Cost of application and associated fees are published on the Planning and Development Fee Schedule. NOTE: Wind Energy Permits and building permits will not be issued without a Laramie County Board of Commissioner-approved site plan.

1. The completed Wind Energy Site Plan Review application and required documents shall be submitted to the Planning Office, along with one copy of the site plan drawing and an electronic file in a .pdf format. A non-refundable application fee is required at the time the application is submitted to the Planning Office. Make checks payable to the Laramie County Treasurer.
2. The Planning Office shall forward copies of the site plan to reviewing agencies for comments. A staff report shall be provided to the Owner and Applicant listed on the application within 7 days of the Planning Commission hearing.
3. The Planning Office shall publish a legal notice in the local newspaper no less than 30 days prior to the Planning Commission hearing.
4. The Planning Office will notify, by certified mail, adjacent property owners within one mile of the proposed development of public hearings concerning the development. The applicant will be billed the actual cost of this mailing by the Planning Office. If there are more than fifty (50) letters required, the applicant shall perform the certified mailing and provide proof of mailing to the Planning Office.
5. The applicant is required to provide posted notice at the property where the development is proposed. Signs are available at the Planning Office and shall be placed in view of all public rights of way that abut the property. Sign posting must be completed at least 30 days prior to the Planning Commission meeting. The signs shall be removed within 7 days of the final Laramie County Board of Commissioners hearing.
6. An application for a change in zone must be heard by both the Laramie County Planning Commission and the Laramie County Board of Commissioners. The applicant must attend all public hearings and meetings. Absence of a representative shall result in the withdrawal of the application from the public hearing.
